

## ENTRY SKILL LEVEL / PLAYER ROSTER

Your Regional entry skill level will be the highest of the following levels:

1. The skill level that you believe represents your best pool playing ability
2. Your current APA assigned skill level
3. Your highest skill level in any APA League area in which you currently play
4. The highest skill level that was assigned to you during the Local Qualifier Board
5. The highest skill level assigned to you since you won the Local Qualifier Board

To determine the skill level you will be entering the Regional tournament with, refer to the enclosed player roster. Your skill level is listed next to your name on the roster. All skill levels are in the process of being reviewed by the HRC. If you have a question regarding your Regional skill level, contact your League Operator immediately.

## FORMAT—MODIFIED SINGLE ELIMINATION

You have the opportunity to compete in the Regional event a minimum of two times. This format does not guarantee you two losses, only two chances to play. If you receive a bye in the first round, you still have two opportunities to play.

## SEEDING

## RULES OF CONDUCT

APA has established, and will strictly enforce, the following conduct rules for this Tournament and all Higher Level Tournament play:

- a. No loud, abusive or profane language will be tolerated. You are an APA member to have a good time and to enjoy some friendly competition. If you experience a problem, one of the Tournament Officials will address it. Simply bring the matter to their attention. Remember that nearly every ruling will be seen as favoring one side or the other. Each team and player is required to accept official rulings without causing a scene.
- b. Unsportsmanlike conduct directed toward an opposing player, team or a Tournament Official will not be tolerated.
- c. Anyone involved in an incident that involves either physical abuse, violence, or the throwing of an item will be disqualified immediately, and immediately banned from the Tournament site.
- d. Anyone caught hitting a cue against a table, wall, floor, etc., or recklessly swinging a cue will be disqualified immediately and be banned from the Tournament site.
- e. Abusive behavior directed to the Tournament Director or any of their designees, including Tournament Officials, will not be tolerated.
- f. Excessive slow play will not be tolerated. If your excessive slow play becomes a problem you will be entitled to one warning before any penalty is issued.

The penalties for violating any of the Rules of Conduct detailed above are as follows:

**Except for incidents of slow play, a warning may or may not be given, and the Tournament Director can issue any of the four penalties below, regardless of whether any penalty has been previously issued, depending upon the severity of the situation.**

**Penalty Level 1** Your opponent will be given ball-in-hand. If your opponent is still shooting, or already has ball-in-hand, then that player will be allowed to shoot until missing, and then be given ball-in-hand again.

**Penalty Level 2** Your opponent will be granted the game. (In 9-Ball, your opponent will be granted the game, along with points for all balls remaining on the table.)

**Penalty Level 3** Your opponent will be granted the match.

**Penalty Level 4** You will be ejected and/or disqualified.

**NOTE: If the violation or disturbance that caused a prior penalty to be levied does not cease, the Tournament Director and/or its designated assistant has the right to go from one penalty level to the next penalty level immediately.**

## MATCH TIME GUIDELINES

The APA has established guidelines to limit match play time in an effort to produce a tournament that adheres to a schedule that is productive and enjoyable for all the participants. We have a full schedule of rounds that must be completed in a timely manner. We strive to offer the best environment and playing conditions for our participants, while fulfilling our obligations to the tournament facility. The guidelines we have set are more than adequate for tournament status play; in most cases actual match play will take less than the time allotted. Please be courteous; long matches are exhausting to all the players. We ask for good sportsmanship in keeping to the schedule. Your cooperation will help make this tournament fun and exciting for everyone.

### TIME GUIDELINES FOR INDIVIDUAL MATCHES

Format	Match Time	Average Game Length
8-Ball	60 Minutes	8 - 10 Minutes
9-Ball	30 - 40 Minutes	

### ADDITIONAL TIME GUIDELINES

Each Practice Period	4 Minute Time Limit
Average Shot	20 seconds
Special Shooting Situation	45 Seconds (max.)

**NOTE:** Exceeding the time guidelines is not a foul; however it can result in a sportsmanship violation.

## IMPORTANT

### PLAYER CERTIFICATION FORM

Please read and sign the enclosed Certification Statement and present it to the Tournament Director when you register at the Regional event. If you are competing locally at a skill level higher than the level at which you are scheduled to start the tournament, you must inform the Tournament Director by "certifying" yourself at the higher level. The Tournament Director will make the skill level adjustment prior to your first match. The Tournament Director is not allowed to lower a player's skill level prior to his or her first match. All skill levels will be updated between each round of competition during the tournament.

### REGIONAL TOURNAMENT SITE

The enclosed flier contains information about your Regional tournament; location, event date, registration day/time, players meeting, number of participants in each tier, the name and telephone number of your Regional Tournament Director, and nearby lodging.

### CURRENT PICTURE ID IS REQUIRED

#### Accepted:

- State/Province issued picture ID
- Military ID
- Passport

Your ID must be available for review at registration and prior to competing in each match. If you do not have a proper picture ID, you will not be allowed to play. In all Higher Level Tournament events it is considered standard procedure for good sportsmanship if, at the beginning of each match, contestants provided proper identification to their opponents before shaking hands.

# SINGLES REGIONAL TOURNAMENT RULES

- 1. PRACTICE TIME** - Practice is not allowed on any Tournament table, except during specified periods, and only with the permission of the Tournament Director. You are encouraged to practice on tables designated for that purpose, and are asked to share the practice tables with any other contestants who wish to use them. If there is a wait for the practice tables, we ask that you limit your practice time to between 10 and 15 minutes. Designated practice tables are reserved for those contestants who have not yet been eliminated from the Tournament. Practice is not allowed on Tournament tables during play, even when Tournament tables are not in use.
- 2. NO GAMBLING** -Gambling on pool is not permitted at any APA function, including this Tournament. Therefore, you are prohibited from gambling on pool at the Tournament site, even after the Tournament has ended or you have been eliminated from the Tournament. Any participant that gambles will face disqualification from the Tournament and/or forfeiture of all awards and prize money.
- 3. FORFEIT TIME** -Forfeits will be declared 15 minutes after a match has been called. If a player has registered for the Tournament, a Tournament Official will attempt to locate the player before a forfeit is declared. However, it is the player's responsibility to be present for their matches when they are called. The Tournament Director determines when a match is officially forfeited.
- 4. COACHING** - Coaching is not permitted. Violations of this rule could result in a foul being called. You are advised not to confer about your match with anyone other than your opponent, a Referee, or the Tournament Director as doing so could be perceived as coaching.
- 5. OBLIGATION TO PRESENT AND CHECK IDENTIFICATION OF ALL PLAYERS** - All participants must have a current valid photo ID in the form of a state-issued driver's license or non-driver identification card, a military ID, or a passport (collectively a "Photo ID"). Players must have their Photo ID with them at all times during the Tournament and should present their Photo ID to their opponent without having to be asked. It is the responsibility of every player to verify that all opposing players have current valid Photo IDs that positively identify them as being the person shown on the scoresheet. Do not assume a player is who they say they are. If an opposing player has not voluntarily presented their Photo ID to you for verification, it is your responsibility to request that the opposing player present their Photo ID and to be satisfied as to the opposing player's identity prior to the lag. If you are not satisfied with the identity of an opposing player, you must immediately call over a Tournament Official to examine the identity of the questioned player. If the Tournament Official cannot readily verify the player's identity from the Photo ID, they may consult the Tournament Director. The determination of the Tournament Director regarding the identity of the player, is made in the Tournament Director's sole discretion and judgment, and is final. If you fail to verify the identity of an opponent and the opposing player turns out to be an imposter or to not have a valid Photo ID, you may be bound by the results of the match and you may not be granted any relief or remedy, in the Tournament Director's sole judgment and discretion. If a player is put up to play and does not have their Photo ID, the match will be forfeited to the opponent without right of protest or appeal; regardless of the reason the player does not have a Photo ID. It is no excuse that a player's Photo ID was lost, left somewhere, or that the player needs to go get it. An imposter, a player who cannot verify their identity, or a player who enters or participates in the Tournament under fraudulent circumstances, is subject to immediate disqualification from the Tournament and is subject to an indefinite suspension from further participation in the APA, if in APA's sole judgment and discretion such a suspension is warranted.
- 6. SCOREKEEPING** - Scoresheets, with innings recorded and Defensive Shots marked, must be kept by either both players or by an official scorekeeper. If it is determined a player is not marking Defensive Shots, then the APA Handicap Review Committee may consider that grounds to raise that player's skill level. Scoresheets must be signed and turned in to the Control Table to receive credit for match wins. Refusal to sign a scoresheet does not affect any match protest. It is the responsibility of the winning player to make sure the Control Table receives proper scoresheets.  
**8-BALL ONLY** - Mark all **Early 8s** (E8), **8-ball Scratch** (8S), **8 Wrong Pocket** (8WP), **8-on-the-Break** (8OB), and **Break-and-Runs** (BR) on your scoresheets. Patches for **8-on-the-Break** and **Break-and-Runs** are awarded. Patches must be claimed by the player at the Control Table when the scoresheets are turned in for processing.  
**9-BALL ONLY** - Mark all balls pocketed, dead balls, **9-on-the-Snaps** (9OS) and **Break-and-Runs** (BR). Patches for **9-on-the-Snaps** and **Break-and-Runs** are awarded. Patches must be claimed by the player at the Control Table when the scoresheets are turned in for processing.

**NOTE: Any player caught fraudulently keeping score - by adding innings, altering scoresheets in any way, or marking scoresheets in a way that does not reflect the play that occurred on the table - is subject to disqualification.**

- 7. DRESS CODE** - Proper attire must be worn at all times in and around the Tournament site. The Tournament Director shall determine whether your attire is proper, and is responsible for requiring players whose attire is not proper to change. If the Tournament Director requires to you change your attire, compliance with the Tournament Director's direction is not a just cause for delaying the progress of a match. The dress code will be enforced.
- 8. NO EARPHONES** - You are not permitted to wear earphones of any type during Tournament play. This includes ear buds, headphones, headsets, Bluetooth devices, etc. Hearing aids and non-electronic earplugs are allowed.
- 9. CELL PHONE AND SMARTWATCH USE** - Cell phone and smartwatch use is prohibited while a player is taking their turn at the table and during coaching time-outs.
- 10. NO SMOKING** - Smoking is not allowed at the pool table.
- 11. GAME RULES** - APA game rules apply. The game rules are covered in the Official Team Manual and The Official APA/CPA 8-Ball & 9-Ball Game Rules Booklet. You should ensure that you are familiar with these rules. Any and all Local Bylaw(s) applicable to your Local League, or interpretation(s) of the APA game rules made by your Local League Management, which are not in full accord with the Tournament Rules established by the APA do not apply at this event. It is your responsibility to know what a Tournament Rule is and what is a Local Bylaw. In addition, you are obligated to review the Singles Regional Certification Statement (the "Certification Statement") prior to registering for the Tournament.
- 12. MALE SKILL LEVELS** - Men will participate at a minimum skill level 2 in 9-Ball in and a minimum skill level 3 in 8-Ball.
- 13. CALLING FOULS** - You are encouraged to be familiar with the portions of the Official Team Manual that apply to the format you are playing in this Tournament, including, but not limited to, what constitutes a foul in that format. Each player is advised that, before taking ball-in-hand, they should make certain that the player actually has ball-in-hand. If you do not confirm ball-in-hand with your opponent, or with Tournament Officials, and there is a difference of opinion, then you run the risk of fouling the cue ball unintentionally.
- 14. CUE BALL FOULS** - Do not touch the cue ball while it is still rolling. Doing so may result in a foul.
- 15. CLOSE SHOTS** - If a shot looks like it may result in a "bad hit," stop the game and get a Tournament Official to observe the shot and make the call. Either player may stop the game to ask for a call. The decision of the Tournament Official is final. If a shot is close and a Tournament Official is not called, the ruling will most likely be in the shooter's favor.
- 16. MARKING THE POCKET (8-BALL ONLY)** - A coaster, pocket marker, or any other reasonable marker must be placed next to the pocket the 8-ball is intended to enter. It is recommended that you do not use chalk as a pocket marker, as it can create confusion, but the use of chalk as a pocket marker is not prohibited. If a player pockets the 8-ball without marking the intended pocket, and the opponent calls loss of game, it will result in a loss of game. Both players may use the same marker. Only one marker should be on the table at any time. However, even if more than one marker is on the table, as long as you clearly mark the pocket where you intend to pocket the 8-ball you will be deemed to have properly marked the pocket. If the marker is already at the intended pocket from a previous attempt or game, it is not necessary for the shooter to touch it, pick it up, or reposition it. **Anyone** may remind a player to place the marker and it will not be considered coaching or a foul.  
**NOTE: Making contact with a marker is not a foul. If a pocket marker is placed on the rail and accidentally interferes with the shot (either in a positive or negative way), the shot stands.**
- 17. EXCESSIVE SKILL LEVEL MOVEMENT** -- If Higher Level Tournament play is to be truly meaningful and rewarding, then those who play below their true ability must be penalized. Any evidence of a player playing at a skill level below their true ability should be reported immediately to a Tournament Official at the Control Table. You must certify that your skill level, as shown on the scoresheet of each match you play, is your Highest Skill Level as that term is defined in the Certification Statement. For more information on the consequences of not playing at your Highest Skill Level, see the Certification Statement.
- 18. PROTESTS** - All protests must be made to the Tournament Director in a sportsmanlike manner. There is a \$50.00 filing fee for any protest, which is refundable if the player filing wins the protest. Any player disrupting the Tournament, causing a scene, or causing other problems at or around the Tournament site will lose the right to protest. The Tournament Director will resolve all issues on the spot. The APA is the highest authority. Any rulings made by the APA are final.

**19. RULES OF CONDUCT** - Read the "Rules of Conduct" on the reverse side of this page and make sure you understand the penalty level system. It is designed to stop a problem while it is still a small problem. The Rules of Conduct may be used by the Tournament Director or designated Tournament official at this event for any form of misconduct.

**20. WARNINGS** -- If a warning is given in one match, that warning will follow you throughout the remainder of the Tournament. For example, if you are warned for sharking you opponent, and in a subsequent match you are warned for sharking that opponent, the result will be ball-in-hand for the opponent you are then playing. All warnings will be noted by a Tournament Official on the scoresheets.

**21. SPORTSMANSHIP** The primary objective of APA has always been to provide players of all abilities with the opportunity to enjoy friendly competition. It is expected that every player hopes to do well, and that all players will do their best to win. However, each player is also expected to accept defeat in a sportsmanlike manner.

Two common examples of bad sportsmanship are: conceding an unfinished game and breaking down a cue during play. Both forms of conduct are frowned upon by professionals, and have no place in amateur play. All players are asked to allow opponents to finish the game before racking the balls or breaking down cues. No penalty will be assessed unless, in the determination of the Tournament Director, such sportsmanship violations by a player are excessive.

Fouls can also cause sportsmanship issues to arise. A foul is a foul and should be observed as such regardless of whether the player believes that they will get caught failing to disclose a foul. A professional player will call a foul on himself; likewise, good sportsmanship dictates that amateur players acknowledge when they commit a foul. However, it is technically a player's responsibility to protect the outcome of their match. Therefore, all players are advised to pay attention to their games and be aware of when their opponent commits a foul.

**22. EQUIPMENT REGULATIONS** - Laser devices, mechanical cues and training/practice aids may not be used in League play. Some specialty cues may be allowed on a limited basis. Special equipment, such as bridges and cue extenders, are legal. Players are expected to use equipment consistent with its intended purpose. Additional equipment guidelines applicable during APA League play are set forth below:

**Jump Cues** - Are not allowed.

**Break Cues** - Sometimes combined with jump cues to form a jump-break cue, these cues are allowed in Tournament play for breaking only.

**Regular Shooting Cues** - These cues may be used to perform jump shots, massé shots and break shots in all APA League and Tournament play. You may not "break down" your Regular Shooting Cue to perform a jump shot.

**NOTE 1: Using a regular shooting cue to break does not qualify it as a "break cue".**

**NOTE 2: Wheelchair players and players who are limited in their height are allowed to use a junior cue or "shortie" as a regular shooting cue.**

You may change cues and/or cue shafts during a game provided the cues and/or shafts you are switching to do not violate any rules of use, and you remain within the time guidelines. Any equipment bearing any message or image that is sexually explicit or political in nature, or may be offensive due to the use of profanity or the promotion of violence, alcoholism or substance abuse, shall be prohibited from use in this Tournament. The Tournament Director shall have the right to inspect a player's cue(s) at any time during the Tournament without prior notice to the player, and if the cue(s) are found to be in violation of this rule, the player shall immediately cease using the objectionable cue during Tournament play, or face immediate disqualification and forfeiture of all prize money earned and/or entry fee paid.

**23. DISQUALIFICATION** - The Tournament Director has the authority to disqualify any player from this Tournament and may exercise that authority in their sole judgment and discretion at any time - prior to, during, or after the Tournament. The following may constitute grounds for disqualification: (a) excessive skill level movement, (b) irregularities or falsification of any Tournament scoresheet or documents provided to the Tournament Director by your League Operator relating to your eligibility or qualification for this Tournament, (c) fraudulent actions or omissions of anynature, (d) sportsmanship violations or conduct deemed to discredit or affect the integrity of the Tournament, APA or the sport; or (e) any other behavior deemed deserving of disqualification by the Tournament Director. Any disqualified player will be deemed to have forfeited all titles, awards, and prize money they would have otherwise been entitled to. Each disqualified player is subject to a minimum two year suspension of their APA membership.

# SINGLES REGIONAL CERTIFICATION STATEMENT

To be eligible to play in this Tournament, you must read, complete and sign this CERTIFICATION STATEMENT.

You must certify that the skill level listed on this CERTIFICATION STATEMENT accurately reflects your Highest Skill Level as that term is defined below.

**Your Highest Skill Level is the highest of the following** (referred to hereafter in this CERTIFICATION STATEMENT as your “Highest Skill Level”): (1) the skill level that you believe represents the your best pool playing ability, (2) your current APA assigned skill level, (3) your highest skill level in any APA League area in which you currently play, (4) the highest skill level that was assigned to you during the Local Qualifier Board, (5) the highest skill level assigned to you since you won the Local Qualifier Board, (6) the skill level assigned to you by your local Handicap Advisory Committee (HAC) or APA’s Handicap Review Committee (the “HRC”); (7) the skill level assigned to you during any prior Higher Level Tournament (including any National Singles Championship, National Team Championship, Poolplayer Championships, or World Pool Championships) or Higher Level Tournament qualifier (except in the rare circumstance in which APA has granted a previously requested exception submitted by the League Operator of a League you have played in). Further, minimum skill levels for men participating in the Tournament will be skill level 3 in the 8-Ball format and skill level 2 in the 9-Ball format.

**If, having reviewed the information stated above, you believe that your APA-assigned skill level, as listed on the Tournament Roster, is lower than your Highest Skill Level, as defined above, you must request that your skill level be changed so that this Statement reflects your Highest Skill Level by writing in your Highest Skill Level in the space provided.**

**This is your only opportunity to ensure that you are playing at your Highest Skill Level during this Singles Regional (the “Tournament”).** If, after this Certification Statement is signed, the Tournament Director determines that your skill level, as indicated on this Certification Statement, is lower than your ability and/or your Highest Skill Level, or if your skill level increases during the Tournament due to your performance at the Tournament, you may be **disqualified from this Tournament and/or suffer other penalties.** **NOTE:** Claims that you are playing above your skill level because you practiced prior to attending this Tournament or because you consumed fewer alcoholic beverages during the Tournament than you do during regular League play will not be considered sufficient grounds to challenge a disqualification or other penalty.

## RULES FOR PARTICIPATION

- 1. Tournament Director:** This Tournament is operated and administered by American Poolplayers Association, Inc. and its affiliated Leagues in Canada and Japan (collectively “APA”). APA, acting through its designated officials, including, but not limited to, the HRC, is the Tournament Director of this Tournament. As the Tournament Director, APA has the full, absolute and final authority to make all rulings, decisions and judgments, in its sole discretion, on all issues and matters related to this Tournament. The Tournament Director’s rulings, determinations and judgments are final.
- 2. Handicapped Tournament:** This is a handicapped Tournament. The objective is for the Tournament to be fair and equitable for all players such that any player has the opportunity to compete in their match and advance. - 3. The Equalizer®:** Calculates your skill level based on data from your prior performances in APA League and Tournament matches. *The Equalizer®* calculates skill levels using mathematical formulas that analyze data from match scoresheets, your win/loss record, and subjective judgments of League Operators and/or APA made based on your performance data and/or observations of your ability and performance. While *The Equalizer®* calculates the skill level assigned to you, you must certify that that skill level is your Highest Skill Level in accordance with the criteria stated above. Through *The Equalizer®*, the Tournament Director may adjust your skill level up or down during the course of the Tournament based on your performance in this Tournament. By signing this Statement, you acknowledge and agree that *The Equalizer®* is a highly protected, confidential and proprietary trade secret belonging to APA and agree to its use in calculating your skill level during this Tournament.

If there is any conflict between the terms of this Statement, the Tournament Rules and/or APA’s Standard Rules, the terms of this Statement shall control.

A player’s eligibility may also be affected by additional requirements stated in your League’s Local Bylaws. Questions about your eligibility must be directed to APA before this Statement is submitted. APA shall have sole discretion to decide whether a particular player is eligible to participate in the Tournament, and APA’s determination regarding a player’s eligibility is final.

I AGREE I WILL NOT SUE OR ASSERT ANY CLAIM (INCLUDING FOR DAMAGES, DECLARATORY, OR INJUNCTIVE RELIEF) REGARDING THIS TOURNAMENT IN ANY COURT, FORUM OR PROCEEDING. IF ANY CLAIM IS BROUGHT BY ME, OR ANYONE ACTING ON MY BEHALF, IN ANY COURT, FORUM OR PROCEEDING AGAINST THE RELEASED PARTIES, OR A RELEASED PARTY, I AGREE TO PAY SUCH PARTY'S REASONABLE ATTORNEYS' FEES INCURRED IN DEFENDING, SETTLING, OR OBTAINING DISMISSAL OF THE ACTION.
- H. I agree to pay for any injury, damage or loss to person or property caused by my conduct during this Tournament.
