DURING THE FIRST FEW WEEKS OF PLAY, WE OFTEN HAVE SCHEDULE CHANGES!
We appreciate your patience with these changes.
We have little or no control over the schedule changes that occur; yet they are necessary. Teams can be added **through the fourth week of play** to a division, and obviously this will affect the schedule for some, in form of byes being added or makeup matches having to be played, to accommodate these teams.
Another priority is to make sure that teams have an equal amount of home and away matches. There are times that changes are unavoidable. Please be assured that we are doing the best we can to avoid this. We appreciate your patience.

Congrats to all our Singles Board Regional Qualifiers!
This is the most players we've ever had participating in the Regionals! Good Luck, and let's see some of you in VEGAS!
